Season's Greetings from the Osaka Office in Chicago!

In 2010, as you may have too, we did this and we did that.

We thank you for all of your support, and our *Executive Director thanks you in her own words*. Among "this" and "that" was our effort to reach you more often through our new **FACEBOOK** site and **TWITTER** site in English and in Japanese.

As this year comes to a close, we wish you time for reflection, good food in good company. We will continue to strive to be included in your good company, as we work to bring good food.

Sincerely yours,

City of Osaka Chicago Office
